Accidents happen and sometimes are expensive. With Aflac accident insurance you can provide you and your family with a safety net to help pay bills if you are temporarily out of commission. Aflac is different from major medical insurance. It's insurance for daily living. If you're sick or injured, Aflac pays cash benefits directly to you (unless otherwise assigned) to help take care out-of-pocket medical costs or everyday expenses—and much more:

- Flexible** - Freedom to choose any provider without deductibles or copayments
- Portable** - Take your plan with you even if you leave your job (with certain stipulations)
- Protective** - Covered routine medical exams for early detection and prevention
- Supportive** - File a claim anytime day or night

From out-of-pocket medical costs and everyday expenses - like car payments groceries rent and mortgages - Aflac helps protect your savings. Regardless of what other insurance you have.
